We hold Information Days and a conference

FIND OUT MORE

Welcome to Communication Matters

We help people to understand more about AAC users to communicate.

AAC is used to mean many different ways to help someone communicate. It could be simple things like pointing, signing, writing or drawing. It could also be using a special device like a machine that 'speaks' words for you.

About us

More about Communication Matters.

What we do

We run events and projects. We help people learn. We talk to the government about how they can do more for people who use **AAC**.

Find support

All you need to know about getting equipment and services.

Research

We have projects that look for new ways to make things better for AAC users.

Diary

The dates when we hold Information Days, Study Days, our Conference and more.
