

AAC AWARDS

<https://communicationmatters.org.uk/what-we-do/awards/>

AAC is used to mean different ways to help someone communicate. It could be simple things like pointing, signing, writing or drawing. It could also be using a computer that 'speaks' words for you.

An **award** is a prize for doing something well.

We are having our first ever AAC Awards at Leeds University on Friday 11th October 2019.

We plan to have an awards event every 2 years.

We want to give awards to people who do great things with AAC.

You can book your place and get more information here:
