

AWARDS FOR ALL MENTORING PROJECT

<https://communicationmatters.org.uk/what-we-do/projects/awards-for-all-mentoring-project/>

We ran a mentoring project in the Manchester area in 2017.

Mentoring is where an experienced person works with someone who is new to AAC. They help them with advice and support.

We had funding from Awards for All (Big Lottery Fund).

The project was run by Verity Elliott at [Creativity in Practice Ltd.](#)

Six AAC users were given training so that they could mentor other people.

The training is now completed.

We told people about the project at our yearly Conference in 2017.
