# Communication Matters Exhibition Day

Friday 24th March 2023, 10:00 - 15:00

## Parkinson Building,

Woodhouse Lane, University of Leeds, LS2 9JT

UNIVERSITY OF LEEDS

Communication Matters is pleased to announce the opportunity to meet in person suppliers of Augmentative and Alternative Communication (AAC) products and related services. The world of AAC is constantly changing – new software and technology, new strategies, new evidence about use of AAC, and new social and political developments.

The day is open to AAC users, parents, carers, and professionals, and will be an opportunity to:

- Get hands on with the latest communication aids and see the latest product demonstrations
- Discover the latest developments in AAC products and get up-to-date information on the range of AAC products available in the UK
- All direct from many of the UK's leading suppliers of communication aids, equipment, software, and symbol systems

The companies and organisations booked onto exhibit so far are:

- Jabbla UK
- Liopa
- Smartbox Assistive Technology
- Smile Smart Technology
- Therapy Box
- Tobii Dynavox
- Wigit Software

The exhibition is free to attend, and tea/coffee will be available. Please book your place in advance below.

**Book your free ticket on Eventbrite here**

You might also like to attend our Mentoring Project Drop-in Session happening on the same day in the same building. [Find out more here.](#)
