

Harchie's Service Charitable Donations

Harchie has a close relationship with Communications Matters and was a big advocate for them. Both Jas and I appreciate CM's help over the years and the opportunities they provided Harchie to "hone" his presenting skills at the CM Annual Conference.

With that in mind, we feel that Communication Matters is the charity that Harchie would want to be supported, so in lieu of flowers, please donate using the QR code below which will take you to the Just Giving page on the Communication Matters website, or type in the following:-

About Communication Matters / ISAAC (UK)

Communication Matters aims to increase public awareness & knowledge of the needs of people with communication disabilities who benefit from other ways of speaking (e.g. symbols/technology systems). It provides convenient information & organises an annual conference, roadshows & study days UK-wide.
